NAPCS Unionization Research • May 2026 • Template v8.0

Section 1: State Overview

State	Connecticut
Labor Board	SBLR (CT) — Connecticut State Board of Labor Relations
Governing Law	Connecticut Teacher Negotiation Act (TNA) — Conn. Gen. Stat. §10-153a et seq. Governs certificated staff in most CT charter schools classified as public employers. SBLR handles prohibited practice complaints; representation via TNA process administered by CT SBE.
Federal NLRB Jurisdiction	YES — NLRB Region 1 (Boston) applies to Common Ground High School (C0997001), independently incorporated as New Haven Ecology Project, Inc. — a private nonprofit employer. All other CT NAPCS schools use TNA/SBLR jurisdiction.
Right-to-Work	NOT a Right-to-Work State — Connecticut has no right-to-work statute. Conn. Gen. Stat. §31-101 et seq. (Connecticut Labor Relations Act) and TNA (§10-153a et seq.) permit union security provisions. (Agency fee and union security clauses are available in both TNA and NLRB-governed CBAs in Connecticut.)
For-Profit Operator Status	For-profit EMO management contracts permitted under state law
Card-Check Available	NO — TNA representation process requires petition and a showing of interest; no card-check equivalent. No election required for TNA recognition if employer accepts.
Registry Sweep	COMPLETE — April/May 2026 — 21 charter schools searched
Research Window	March–April 2026

† National Campuses reflects total campuses operated by this network across all states, as reported in Charter School Registry v133. Provides context for networks operating in multiple states.
 ‡ Network (type unclassified) = operator present in Charter School Registry v133 but not yet classified in CMO Reference data. Contact registry project to add classification for these records.

3 CMO (nonprofit). Approximately 15 schools operate independently with no CMO/EMO affiliation. Source: Charter School Registry v133.

Section 4: Legal Framework & Sector Overview

Findings are based on research as of May 2026.

1: Legal & Jurisdictional Framework Connecticut Teacher Negotiation Act (TNA) — Conn. Gen. Stat. §10-153a et seq. Governs certificated staff in most CT charter schools classified as public employers. SBLR handles prohibited practice complaints; representation via TNA process administered by CT SBE. Connecticut is not a right-to-work state (Connecticut has no right-to-work statute. Conn. Gen. Stat. §31-101 et seq. (Connecticut Labor Relations Act) and TNA (§10-153a et seq.) permit union security provisions.). Charter schools in Connecticut are subject to NLRB jurisdiction as private employers (SBLR (CT)). Secret ballot NLRB election is the required organizing pathway. Card-check is not available.
2: Charter Sector Structure

Connecticut operates 21 open-enrollment charter schools, enrolling approximately 10,811 students. 3 charter management organizations and education management organizations operate in Connecticut. The largest networks by campus count are Achievement First (4 campuses in state), Capital Preparatory Schools (1 campuses in state), Great Oaks Charter Schools (1 campuses in state). Approximately 15 schools operate independently with no CMO or EMO affiliation. Network-level detail, including campus counts and total enrollment, appears in Section 3 above.

Section 5: Media Coverage & Public Stakeholder Positions

Press Coverage

Connecticut charter school labor relations have received limited press coverage, consistent with the small size of the sector (21 schools) and the low-conflict nature of TNA representation. The most significant press event was the April 2022 New Haven Arts Paper coverage of the Common Ground High School NLRB election — reporting the vote as 62-8 and documenting post-election teacher non-renewals that led to an NLRB ULP settlement of \$10,000 (April 2022). TNA-represented schools (ISAAC, New Beginnings, Integrated Day) have generated no press coverage of their organizing history, consistent with TNA's administrative rather than adversarial certification process.

Stakeholder Communications

CEA (Connecticut Education Association, cea.org) maintains a public affiliate directory that is the authoritative source for TNA local affiliate names and school assignments. The CEA affiliate directory confirms ISAAC Education Association, New Beginnings Education Association, and Norwich Integrated Day Education Association as active TNA affiliates. UAW Local 2110 (New York-based amalgamated academic/arts workers union) represented Common Ground in its November 2021 NLRB election.

Legislative Context

Connecticut's Teacher Negotiation Act (TNA) is unique in the NAPCS dataset — it is the only state framework that does not produce a public certification database or election record for teacher bargaining. TNA representation is established by written authorization and does not require a state labor board election. This creates a documentation gap for the project: certification dates for ISAAC (2005) and New Beginnings (pre-2013) are approximate and cannot be confirmed without direct contact with CEA or CT SBE.
