Section 4: Legal Framework & Sector Overview

Findings are based on research as of May 2026.

1: Legal & Jurisdictional Framework

Louisiana Employee Relations Act (LERA) — post-Act 172 (signed May 23, 2024) for all BESE-authorized Type 2/5 charters. Pre-Act 172: NLRA / NLRB R15. Locally-authorized (Type 1/3/3B/4) charters: LSCSC/LERA throughout. Louisiana is a right-to-work state (La. R.S. §23:982). Charter schools in Louisiana are subject to NLRB jurisdiction as private employers (LSCSC / NLRB R15). Card-check recognition is available under Voluntary recognition (board vote) has been the dominant mechanism in the NOLA charter sector. No card-check statute per se — but board vote recognition produces the same outcome without an adversarial election. LSCSC/LERA does not have an established charter school certification procedure as of May 2026..

2: Charter Sector Structure

Louisiana operates 139 open-enrollment charter schools, enrolling approximately 93,239 students. 19 charter management organizations and education management organizations operate in Louisiana, including 2 for-profit EMOs. The largest networks by campus count are KIPP New Orleans (8 campuses in state), Collegiate Academies (6 campuses in state), Charter Schools USA (6 campuses in state). Approximately 71 schools operate independently with no CMO or EMO affiliation. Network-level detail, including campus counts and total enrollment, appears in Section 3 above.

Section 5: Media Coverage & Public Stakeholder Positions

Press Coverage

Press coverage of LA charter school labor relations is concentrated in The Lens NOLA (local investigative outlet) and Verite News, which have covered UTNO organizing campaigns with substantive reporting. The Hechinger Report provided the

foundational early coverage of Morris Jeff’s 2013 organizing as a national test case. The Lycée Français Act 172 case received Verite News coverage in February 2026 (the most recent significant piece in the dataset). National charter sector press has not followed Louisiana closely relative to Illinois, New York, and California.

Stakeholder Communications

UTNO maintains an active web presence (utno.org) with CBA links for organized schools. AFT Local 527 is the formal filing entity for NLRB cases. UTNO President Dave Cash is publicly identified. Adams and Reese LLP (Brooke Duncan) is the documented defense counsel for Act 172 and Lycée Français jurisdictional challenge. No employer-side press communications identified defending their anti-union posture publicly.

Authorizer & State Agency Positions

BESE (authorizer of Type 2/5 schools) has not publicly addressed charter school labor relations separately from Act 172 implementation. OPSB (authorizer of Type 1/3/3B/4 schools) authorized the schools where voluntary recognition occurred — no evidence of OPSB opposition to those recognitions.

Coalition & Advocacy Positions

Louisiana Association of Public Charter Schools (LAPCS) is the statewide charter advocacy voice. No LAPCS public statements on unionization identified. New Schools for New Orleans (NSNO) is the major charter sector funder in NOLA — no public statements on labor relations identified.
