Section 4: Legal Framework & Sector Overview

Findings are based on research as of June 6, 2026.

1: Legal & Jurisdictional Framework

NRS 386.490 et seq. (Charter Schools). NRS 288 (Local Government Employee-Management Relations Act) may apply to some NV charter schools as public employers. Independently operated charters likely fall under NLRB R28. Jurisdiction unsettled — requires per-school Gate 0 analysis. Nevada is not a right-to-work state. Charter schools in Nevada are subject to NLRB jurisdiction as private employers (EMRB(NV)/NLRB R28). Secret ballot NLRB election is the required organizing pathway. Card-check is not available.

2: Charter Sector Structure

Nevada operates 104 open-enrollment charter schools, enrolling approximately 73,202 students. 14 charter management organizations and education management organizations operate in Nevada. The largest networks by campus count are Coral Academy of Science (12 campuses in state), Nevada State High School (9 campuses in state), Pinecrest Academy of Nevada (8 campuses in state). Approximately 39 schools operate

independently with no CMO or EMO affiliation. Network-level detail, including campus counts and total enrollment, appears in Section 3 above. No school-level union research has been conducted. Research deferred — Executive Sponsor direction (PDR-018, June 7, 2026).

Section 5: Media Coverage & Public Stakeholder Positions

Press Coverage

No press coverage of charter school employee organizing under the EMRB framework has been identified in Nevada. General labor relations coverage in Nevada focuses primarily on Clark County School District (CCEA/CCE) and gaming industry unions.

Legislative Context

NRS 288 as applied to charter schools is established law in Nevada — no recent legislative proposals have modified the charter school provisions. The EMRB administers this framework without controversy specific to the charter sector.

Section 6: Contract & CBA Access Registry

No collective bargaining agreements documented for this state. Research deferred — sector assumed unorganized (PDR-018, June 7, 2026).
